INTRODUCTION

Harassment remains a pressing issue for girl students in universities, affecting their safety, well-being, and academic performance. To address this, our app provides a digital platform for students to report and document incidents of harassment, ensuring their concerns are handled effectively, confidentially, and promptly. It empowers victims, encourages reporting, and fosters a safer campus environment.
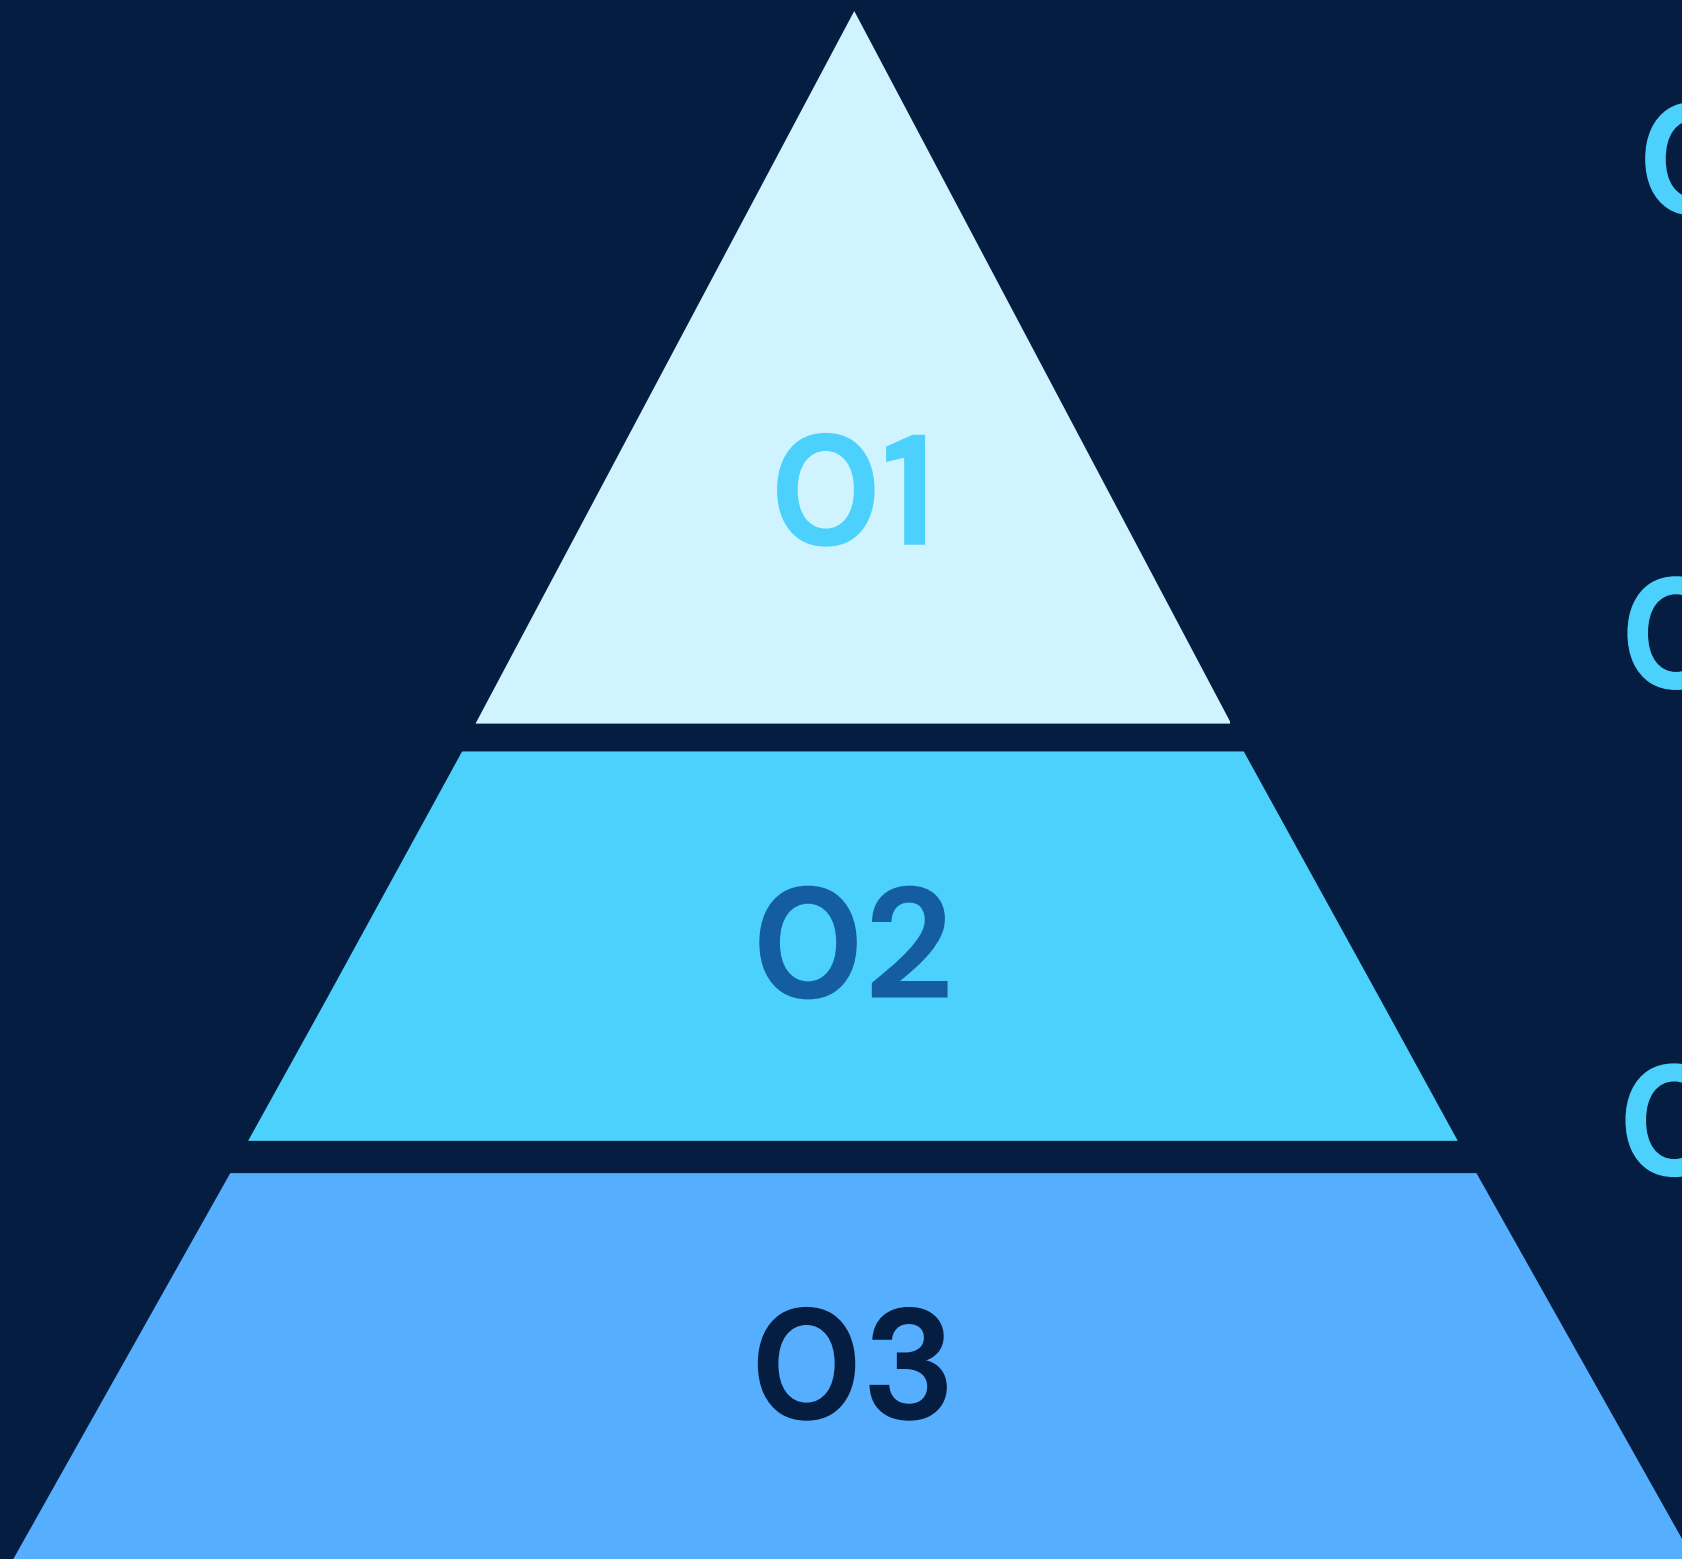

PROBLEM STATMENT

Girl students in universities face harassment in various forms, such as verbal abuse, bullying, sexual harassment, stalking, cyber harassment, discrimination, and abuse of authority.

- Common locations: classrooms, hostels, libraries, sports facilities, and online platforms.
- Emotional impact: anxiety, depression, fear, and anger.
- Barriers to reporting: fear of retaliation, lack of trust in authorities, and insufficient support systems.

This app aims to address these challenges and provide a secure and user-friendly reporting mechanism.

THE APP'S MISSION: CREATING SAFER UNIVERSITY ENVIRONMENTS

O1

O2

O3

O1 Empowerment

The app empowers students to take control of their safety and well-being, providing them with the tools they need to address harassment effectively.

O2 Prevention

Bystander intervention tools and educational resources aim to prevent harassment and foster a culture of respect on campus.

O3 Support

Confidential reporting options and access to mental health resources provide students with a safe space to seek help and support.

KEY FEATURES OF THE APP

- **INCIDENT DOCUMENTATION**
Capture details like type, location, time, and individuals involved. Upload evidence (images, messages, etc.) securely.

- **NOTIFICATION SYSTEM**
Send web and email alerts to selected members (authorities or peers).

- **CONFIDENTIALITY**
Securely record proof and offer anonymous reporting options.

- **COMPLAINT TRACKING**
View the complaint history and authority comments on actions taken.

- **CLOSURE PROCESS**
Authorities close the complaint once resolved, ensuring transparency.

- **SUPPORT RESOURCES**
Provide links to emotional, physical, and legal support services.

APP DESIGN AND USABILITY

01 **Intuitive Interface:** Simple and minimalistic design for easy navigation.

02 **Structured Complaint:** Input fields for basic details, proof upload, and complaint specifics.

03 **Alert System:** A dashboard to manage authorities to be notified.

04 **Complaint History:** A timeline view showing progress and actions taken

CONCLUSION

Our app addresses a critical gap in how harassment cases are handled at universities. By providing a secure, user-friendly, and impactful platform, it empowers victims, ensures accountability, and contributes to a safer and more inclusive educational environment. This initiative paves the way for a cultural shift toward respect, equality, and zero tolerance for harassment.
